

2010 CALOOSA HANDBOOK

A Message from your President. . .

On behalf of your Board of Directors it is my pleasure to forward to you the enclosed 2010 revisions to your Caloosa Handbook. This single source document provides you with a handy reference to Caloosa's By-laws, Articles of Incorporation, Rules and Regulations, Organizational Chart and Tournament Information. It is hoped that this combination of documents will provide answers to almost any questions you might have about membership rights and obligations at Caloosa.

There have been many changes to the By-Laws and the Rules & Regulations. Please read these as new documents and discard the 2009 version.

I would like to welcome the new members to our Board of Directors. Elected last November to a 3 year term were Nancy Cleary, Secretary; Gary Adcock, Membership Director; and Russ Stutz, Director of Golf. Also joining the board prior to the annual meeting was Anne Skinner, Director of Advertising.

As your President I believe the Board has certain obligations to the Membership. Thus we have set the following goals for this year:

- Oversee the collection and **proper** expenditure of funds which you have authorized.
- Preserve and protect our current physical facilities.
- Build and maintain the membership and develop new sources of income.
- Offer a variety of golf and social events.
- To blend the needs of the future with the traditions of the past.

I thank you for the opportunity to serve as a part of this year's Board of Directors.

Loren Hofer

President
