

2011 CALOOSA HANDBOOK

A Message from your President. . .

On behalf of your Board of Directors it is my pleasure to forward to you the enclosed 2011 revisions to your Caloosa Handbook. This single source document provides you with a handy reference to Caloosa's By-laws, Articles of Incorporation, Rules and Regulations, Organizational Chart and Tournament Information. It is hoped that this combination of documents will provide answers to almost any questions you might have about membership rights and obligations at Caloosa.

There have been changes to the By-Laws and the Rules & Regulations. Please read these sections as new documents and discard the 2010 version.

I would like to welcome the new members to our Board of Directors. Elected last November to a 3 year term were Les Clarke, House Director and Jim Duffy, Greens Director. Also joining the board prior to the annual meeting was Rick Johnston, Activities Director and Larry Gaither, Director of Advertising.

As your President, I believe the Board has certain obligations to the Membership. Thus we have set the following goals for this year:

- Oversee the collection and proper expenditure of funds which you have authorized.
- Preserve and protect our current physical facilities.
- Build and maintain the membership and develop new sources of income.
- Offer a variety of golf and social events.
- To blend the needs of the future with the traditions of the past.

I thank you for the opportunity to serve as a part of this year's Board of Directors.

Barb Struble

President
